Corporate & Incentive Travel

Explore FurtherSM

Welcome & Contents

Now's the time to Explore FurtherSM—with your entire group or charter. At Azamara®, we'd love to host your next event on one of our many voyages to unparalleled destinations and hidden-gem locales, all over the world. It's sure to be an unforgettable experience for all your guests, and one that offers tremendous value.

While onboard, your clients will enjoy all the benefits of their favorite boutique hotel at sea, such as inclusive amenities, delicious dining, a variety of entertainment options, and authentic service that goes above and beyond. Our customizable options enable you to personalize their voyage to fit their specific needs, whether they are traveling with us for a corporate meeting, incentive program or special interest gathering.

Our smaller ships are able to enter hard-to-reach ports that larger ships can't, often putting you in the city center right when you step off. The boutique size also creates an intimate and inviting onboard atmosphere that is just the right size for hosting large events without having your guests get lost in the shuffle.

Look inside to see more of why the exceptional Azamara value can be just what you need for your next program or event. I look forward to seeing you and your guests onboard in the future.

Warm regards,

KEVIN J. REGAN

Customize Your Charter Or Group Event

Customize Your Event

Virtually every aspect of the voyage can be personalized to meet your needs and make for a one-of-a-kind event that leaves a lasting impression. Here's a taste of what you can do:

Customize Your Charter Itinerary

A full-ship charter gives you the ultimate flexibility on which ports and destinations to visit, the mix of sea and shore days, number of overnights in port, bespoke shore excursions, sailing times, and more. A flag with your corporate logo will fly from the ship's mast for the duration of the voyage.

It also gives you complete freedom to specify the menus and seating plans, plus schedule shipboard programming, dining times, activities, and entertainment around your meetings and events. In the stateroom accommodations, we can provide a custom TV channel.

Company Logo & Branding Options

You can display your company logo on board the ship, for example on your Azamara KeyCard, branded daily newspaper, menus & beverage napkins, ice carvings, fruit & vegetable carvings, personalized door plaques, photographs digitally imposed with your corporate logo, and more.

Private Receptions & Events

At your request, we can take care of all the arrangements for your elaborate cocktail receptions, award ceremonies, and private lunches or dinners. Leave all the details to us for a seamless and hassle-free experience.

Custom Entertainment & Activities

Ask us to tailor the type of shows, music genres, performers, and other entertainment to enhance your event. Why not treat your guests to bespoke wine tastings by our expert sommeliers, or a culinary demonstration by an Azamara chef?

Group Shore Excursions

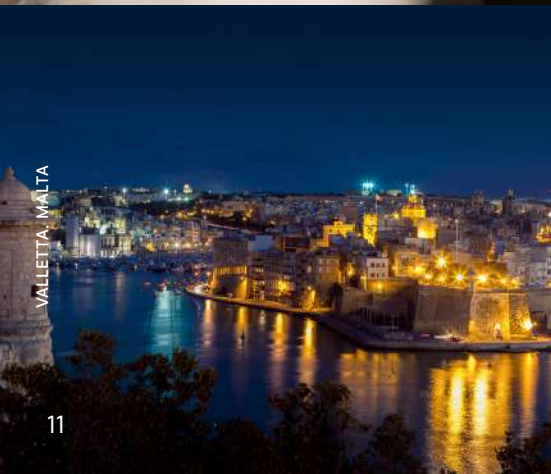

Whether it's a small group of 4 or a larger party, tell us what you'd like to do and we'll create a bespoke tour, complete with vehicle, driver, and guide as required. Our in-depth knowledge of every port's highlights means we can offer truly unique excursions.

Professional Photography

Photographs are some of the best souvenirs your guests can take home to commemorate your event. Our ship's roving photographer can capture all your events, with prints available within a day for collection or multiple reorder at The Photo Shop.

Spa Packages

Spa services can be purchased à la carte or in specially-priced packages that offer great value and a guaranteed reservation at your chosen time. They're a great way to reward your star performers, or treat a valued customer.
