

# CRUISE VS. LAND COMPARISON

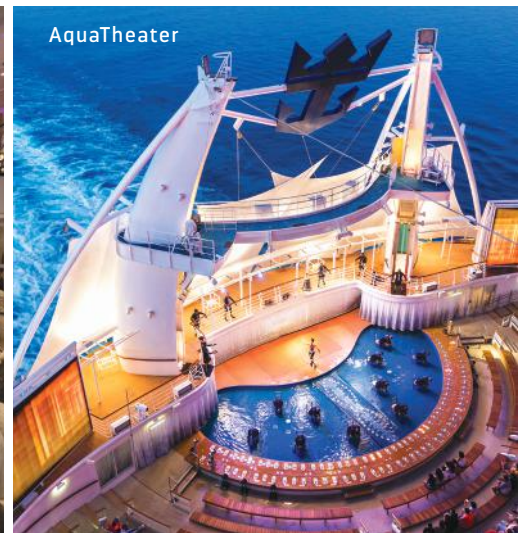

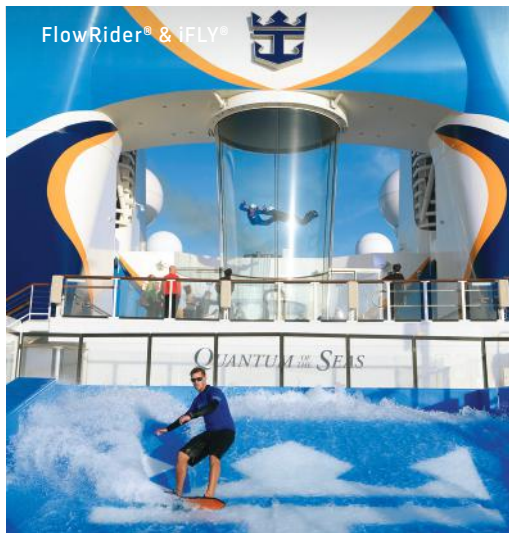

## MAKE LAND RESORTS THE LAST RESORT

Name a resort where you can go to sleep in culture-rich St. Thomas, and wake up in picturesque St. Kitts? Where you can bond over rock climbing and record-breaking thrills one hour, and a Broadway classic the next? For your next incentive program or corporate meeting, enjoy all the amenities of any land-based event, plus complimentary world-class dining, visionary event venues, unrivaled entertainment, team-building onboard activities and more — all packaged at an incredible value. Once you've sailed with Royal Caribbean® you'll never resort to land resorts again.
