

ADVENTURE COMES FIRST

ON THE LAST FRONTIER

Endless breathtaking tundra, four gamechanging ships, one epic summer adventure in Alaska. Experience once-in-a-lifetime moments every single day. Like whale watching in Juneau. Grizzly spotting in Haines. And totem touring in Sitka. All between thrills and chill onboard your choice of fleet favourites sailing in 2026.

ROYAL CARIBBEAN

UP YOUR
GLACIER GAME

At 76 miles long and seven miles wide, North America's largest tidewater glacier makes even the largest ships in the region feel small. Watch massive chunks of Hubbard Glacier's translucent blue ice crash into the bay with a bang like a cannon shot, a sound the Tlingit people call "White Thunder."

CATCH THRILLS
AT KETCHIKAN

Ketchikan sits at the southern end of Alaska's Inside Passage — a gateway to the wild landscapes and seascapes of Misty Fjords National Monument. The canned salmon capital of the world, it's a hub for fishing and outdoor sports.

ICED OUT ADVENTURE

Marked by majestic waterfalls, plunging valleys and rugged mountains, Endicott Arm offers a perfect snapshot of Alaska's wild beauty. This long, narrow fjord in the Tongass National Forest culminates with the monumental Dawes Glacier, an active tidewater glacier towering hundreds of feet high and half a mile across.

TAKE ON THE
BOLD RUSH

Once the starting point for gold stampedeers heading for the promised land of the Yukon, Skagway symbolises the spirit of Alaska. And now — it's your turn to hunt for bold. Embark on the trail of the fortune seekers on a vintage train ride with dramatic, sweeping views at every turn.

MOUNTAIN PEAKS
& MIDNIGHT SUN

Sitka truly offers the best of Alaska. Its small-town appeal stems from a unique blend of Tlingit and American history. This is off-the-path Alaska, where you can kayak Sitka Sound alongside swimming sea otters or fly-fish for the world's biggest halibut. In Sitka the midnight sun never sets on adventure.

WHAT JUNEAU
ABOUT ADVENTURE?

You can't get to Juneau easily without a sprint by air or by sea. But once you arrive, you'll find majestic views and rich culture in every corner. With its snowcapped mountains, misty rainforests and bounty of wildlife, Alaska's remote state capital is the perfect place to dive into nature.
