ROYAL CARIBBEAN

G'DAY TO GOOD DAYS

From koala-spotting to visiting famous landmarks like the Sydney Harbour Bridge, you won't run out of ways to fill your days. Catch a wave or go scuba diving to see the magic of the ocean. There's a reason it's called the Great Barrier Reef.

UNPLUG & UNWIND

Uninhabited and untouched by modern society, Mystery Island will make you believe it wouldn't be so bad to be a marooned sailor in an old storybook. You'll find no electricity, roads or telephones here. A comfortable 30-minute walk will take you on a self-guided tour of the entire island that is only accessible by cruise ship. You'll truly get to experience life on a deserted island.

UNLEASH YOUR ADVENTURER'S SPIRIT

The Land of the Long White Cloud, New Zealand is known for Maori culture, lush-valley-and-gentle-hill-filled landscapes made famous by the "Lord of the Rings" films and dramatic glacial mountain peaks. Get your fix of urban culture in windy Wellington, Auckland and Christchurch. Adrenaline junkies will want to make a beeline for Queenstown on Lake Wakatipu's shores, where you have access to ski resorts, bungee jumping, whitewater rafting and jet boating.
